

REMARKS

Claims 1-7 remain pending and stand rejected under the judicially-created doctrine of obviousness-type double patenting as being unpatentable over claims 1-7 of Eidelman *et al.*, U.S. Patent 6,232,519 in view of Holt *et al.*, U.S. Patent 5,198,188.

Although Applicants respectfully traverse this rejection, in an effort to advance prosecution, a terminal disclaimer over the '519 patent is submitted herewith. This rejection is believed to be moot in view of the terminal disclaimer.

In view of the foregoing, favorable reconsideration and allowance of the subject application are respectfully requested.

Respectfully submitted,

BANNER & WITCOFF, LTD.
